RE: MUR 5936

I am in receipt of your letter dated Oct. 2, 2007 which quite frankly I find ludicrous. My complaint of Sept. 11, 2007 was properly notarized. The rule you cite states the "preferred" form, it does not state that it is the REQUIRED form. To refuse a valid complaint on such an arbitrary argument is antithetical to our system of justice.

As far as Alva DeJarnett-Miller goes, she called and left a message on my voice mail earlier this for me to return her call but failed to state the reason. I tried twice to return her call and she refused to take my call and refused to return my call despite me leaving a message.

I have jumped through your hoops and am resubmitting the complaint with your "preferred" jurat. I would anticipate that Mr. Schiavo et al are required to jump through as many hoops in explaining their false filings with the federal government and explaining how their disbursements can total \$118,000 + when their receipts were less than \$74,000.

Sincerely,

  
June Hakim
